NEWSLETTER # 4

INDUSTRY 4.0 - FOLLOW INNOVATION. Project updates.

The "Industry 4.0 - Follow Innovation" project consortium held its fifth transnational project meeting in Liverpool, the UK, between 24th and 27th of June 2019. The meeting was hosted by the British partner in the consortium, MBM Training and Development Center Ltd.

The program of the TPM combined interactive presentations on the project progress and the current achievements on the project Intellectual Outputs with updates on the short-term project tasks and moderated discussions on the design and implementation of further project activities.

All partners agreed on next steps toward a successful project completion.
